Introduction

In this book, you have learnt about the fruit of the Spirit: love, joy, peace, patience, goodness, self-control etc.

You make choices every day. Because God loves you and wants what is best for you. People make choices that will make your heart 'fruitful'. Do you know that happy feeling in your heart when you do something good? That is the Holy Spirit telling you that you are making good choices. Sometimes, we are not sure what choices to make or do not know what to do. Remember that God loves you all of the time and he wants you to SHINE!
