What! Cried Granny

- Patrick, who is having his first sleep-over at his grandmother's house, encountered numerous problems- He doesn't have a bed at Granny's. He doesn't have a pillow there. The loving and resourceful granny helped Patrick overcome all the difficulties in getting to sleep, showing her care to Patrick and offering him a joyful experience in her house.
- From the story, we learn how to cope with daily challenges and live with our family in times of adversity.
- This book offers a heartwarming reading experience, as the story speaks to everyone who have ever faced challenges in daily life. It proves a little sympathy can change our life.
